
FAMILY STYLE CATERING
HOMEMADE FOOD FOR 10 OR MORE.

Our kitchens and bakeries have been preparing our homemade recipes for over 50 years. We always use the freshest possible locally grown ingredients and never cut corners. Each and every day we serve our homemade food to groups large and small in our restaurants.

And now, with our Family Style Catering, you can feed your groups both large and small wherever you choose. Whether you're feeding 10 or 1,000, our homemade recipes and catering expertise are available whenever you are.

It's easy. We believe catering should be simple and convenient, so we created Family Style Catering. Just let us know how many people you're feeding; we can accommodate groups from 10 to 1,000. Then, simply choose one entrée, two sides, and fresh baked bread. After that you can add some of our delicious desserts like pies, cakes, brownies and cookies. Customer pick-up is suggested, but delivery is available.*

Your homemade meal is packaged in disposable containers and then placed in a nice, sturdy box. We include

disposable plates, napkins, and flatware. The box is sealed with special tape to prevent spilling during transport and to keep your meal hot. All this makes transportation, serving and cleanup efficient, easy and stress-free. (Disposable serving utensils and cups are available upon request for a small fee).

It's fresh. Your meal will be prepared fresh and packaged just prior to your scheduled pickup or delivery* time. For pickup we'll have it ready for you at the carry-out register, so don't worry about waiting in long lines or even carrying it to your vehicle. We help there, too.

It's homemade. Nothing satisfies like fresh, made-from-scratch food.

That's why we embrace the philosophy of **Homemade**. Every day. No shortcuts, no excuses. Just quality ingredients prepared and cooked the way they should be. It's our pleasure to serve you.

Our tried-and-true favorites and exciting new entrées are sure to suit any taste for any number of guests.

A group of 10 is the smallest group we're able to accommodate with this menu.

But, we can easily increase the size of your meal by a quantity of 5 or more after the first 10.

If possible, please order 24-48 hours ahead, but we are always willing to help out on short notice when possible.
